

Weekly Report

Lu Junhua

2016 年 5 月 2 日

Done

- Finished CG assignment: Monte Carlo Path Tracing using C++. Figure 1 shows a sample.
- Finished reading the article which Prof Wu let me review. Started writing comments according to several samples.

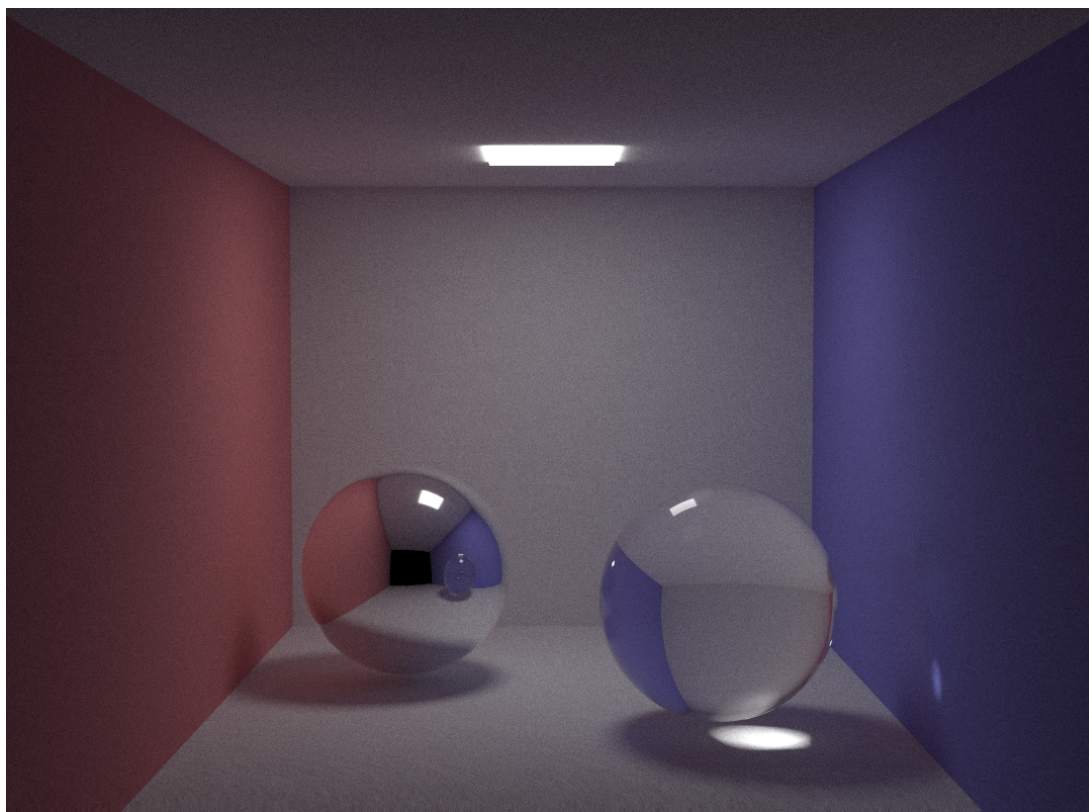

图 1: An output image which samples 2000 times using MTCP.

To do

1. Finish writing the review comments.
2. Start learning basics of JavaScript.
